I got my first guitar at the age of seven. It was a present from my cousin Adam from Bavaria. I took a couple of years lessons and sometime, somehow I started up listen and playing country music. I loved the sound of a banjo and pedal steel guitar. Many years back in the Netherlands, I've met my first producer Theo Peuyn and signed my first record contract with jaguar music in Bremen, Delmenhorst. ' Holiday ' (written by Drafi Deutscher) & If you can't give me love was my first recording and single.

I moved to L.A. California and played many bars and clubs for a couple of years. I've met Johnny Cash and Kenny Rogers back in Hollywood. Back in Germany I started playing in my first band CB Cattlemen. We've played many Shows for the German TV and many big festivals. But after a few years I found out I rather play on my own.

I produced a couple of songs at Amusika Record Company with Franz Trojan (former Drummer of the Spider Murphy Gang). 'No more lies' written by Charlie Ehlert and myself and ' Ace in the hand ' written by David Bonney and Johnny Meyer. A few songs I've recorded and they still be playing at the Reverb Nation Hitparade.

In 2022 I've met Peter Jordan from Vienna / Austria and recorded his beautiful song ' such a day ' at World international record. This song is also placed at the Reverb Nation Hitparade and made it up to the top for many weeks.

I also recorded my first German song ' He mein Freund, mach mal eine Pause ' with my old pal Udo ' Stoll ' Stollberg, my friend since childhood.

I still love to write new songs and work with other musician and I sure hope it will last a long
