

Rahis Bharti is an artistic director and a tabla player of the Bollywood Masala Orchestra Spirit of India. From an early age he was captivated by both the rich traditions and modern interpretations of his country's signature sound and vision. Over his career Rahis has travelled the world and has made each prestigious festival, concert hall or theatre into a lavish and courtly stage by his performances of his own imagining.

All 3 productions have had worldwide success in recent years and are available for Europe, the Middle East and the rest of the world - whether for concerts, festivals, city festivals and others.

Don't miss the magic of India.
