

The image features the word "CLOUDFIRE" in a bold, metallic, 3D-style font. The letters are white with a dark, shadowed interior, giving them a heavy, industrial appearance. The text is centered horizontally and is superimposed on a vibrant, fiery explosion. The explosion's core is a bright yellow and orange, radiating outwards with numerous thin, golden-yellow lines that create a starburst effect against a black background. Small, glowing orange and yellow particles are scattered throughout the explosion, adding to the sense of intense heat and energy.
